13. Ranking of Bids:

Deviations sought by the bidder in respect of delivery, Freight, Insurance, Payment terms shall be loaded on the bidder/s quoted prices during price evaluation by MDL. An illustration of the loading criteria that will be adopted is placed at **Enclosure-03**. Among the equal bids, bidders with ISO 9000 series accreditation over non-ISO bidders, firstly Manufacturers then their authorized dealers will be given preference. The Loading criteria that will be adopted are detailed below:

- i. It is desirable that the bidder accepts the Payment Terms indicated in this tender. Varied payment terms quoted by bidders as compared to the terms stated in the Tender document shall be normalized by adopting the SBI PLR rate plus 2% (in case of indigenous bidder) and LIBOR / EURIBOR rates plus 2% or 6% whichever is higher (in case of foreign bidders) thereon on the amount (s) at variation and / or for the period (in no. of days) at variation.
- ii. If requirement of advance payment is absolutely unavoidable for bidder, then it will be allowed against a bank guarantee of 110% amount with sufficient validity period. The quantum of advance will not be more than 15% of order value. Interest will be applicable at the SBAR plus 2% in case of Indigenous bidders & LIBOR / EURIBOR rates plus 2% or 6% whichever is higher in case of foreign bidders and applicable SBAR / LIBOR / EURIBOR rates will be indicated separately at that time. The offer of bidder will be loaded at this rate for the period of recovery, which will be decided after bid opening. If the bidder seeks advance payment at a lower rate of interest than the rate specified above, then only differential amount of interest shall be loaded on the quoted price.
- iii. Variation regarding the quantum of Security Deposit shall be normalized by loading the quoted price with the quantum of variation.
- iv. In respect of the requirement for furnishing Warranty Bank Guarantee, the variation shall be normalized by loading the quoted price by an amount equivalent to 10% of quoted price minus the quantum, if any, for which portion of guarantee is agreed to by the bidder.
- v. For the additional delivery period sought by the bidder over the stipulated date of delivery/completion of tender, 0.50% per completed week will be loaded to the quoted price.
- vi. Deviation sought in respect of rate per week and / or maximum ceiling in respect of liquidated damages shall be loaded to the quoted price. For example, the maximum ceiling towards liquidated damages stipulated in the Tender is 5% and the bidder seeks to limit it to, say 3.50% then the price quoted will be loaded by 1.5%. If the rate of LD per week is 0.50% per week or part thereof as per tender and the bidder seeks it as, say, 0.40% per week or part thereof, the maximum ceiling on LD as per tender will first be equated to weeks (10 weeks in this case) and the rate proposed by the bidder i.e. 0.40% will be multiplied by the so equated maximum period (which works out to 4%) and the quoted price will be loaded accordingly by 1%. Delivery being the essence of the contract, it is desirable if the bidder(s) adhere to the stipulated clause.
- vii. Deviations in respect of the period of Warranty / Guaranty shall be loaded to the quoted price @ 0.25% per month or part thereof. This does not arise if the bidder quotes additional price for the differential period.
- viii. Prices quoted by foreign bidders will be loaded by 1% on CIF prices for inland transportation & port handling charges.
- ix. In case the foreign Bidder is requesting for payment through LC then his price will be loaded as For opening L/C, all charges outside India shall be borne by the Beneficiary (supplier).
Additional loading of prices (A) Towards charges incurred in L/C opening by MDL and (B) Interest for period of 20 days @ base rate of SBI+2% on payment amount will be considered while evaluating foreign bidders for ranking purpose. In case supplier seeks L/C amendment for no fault of MDL or requires confirmation of L/C then all charges towards L/C amendment or confirmation of L/C respectively shall be borne by the supplier.

14. Criteria for Normalizing the Price Bid for Ranking:

For Procurement for Defence Projects: In pursuance of MOD ID No. 3(1)/2002/D(SII) dated 4.10.2006 the evaluation of Bids to determine L-1 Supplier shall be done as under:

- i. In case of Foreign Supplier, the total of basic cost (~~CF~~ / CIP) and customs clearance/Airport handling / transportation charges to the yard will be the basis for the purpose of comparison of various tenders. Taxes, duties and levies in India will be excluded for ranking the tenders.
- ii. In case of indigenous suppliers, the total of basic cost and transportation charges to yard, if any, will be the basis for the purpose of comparison of various tenders. Taxes, duties and levies may be excluded for ranking the tenders.
- iii. Currently conversion factors as applicable on the date of price bid opening will be taken to bring the bidders on equitable basis. For this purpose, bill selling rate of exchange will be considered.
- iv. The method of excluding the taxes, duties and levies payable as at (i) & (ii) above is for the purpose of ranking of price bids. As taxes, duties and levies are excluded for the purpose of ranking of bids to determine L-1 bidder, in accordance with guidelines issued by MOD, there may arise a situation where overall cost (inclusive of taxes, duties & levies) of supply by the adjudged L-1 bidder may be higher compared with any other bid(s) depending on the tax structure. Therefore, it would be required that the adjudged L1 bidder has to reduce the price to make it competitive both before including taxes, duties & levies and after including taxes, duties & levies. If the adjudged L1 bidder does not agree to reduce the price to make it competitive after including the taxes, duties & levies, then the next ranked bidder(s) will be afforded the opportunity so that the procurement is competitive.
- v. Additional loading of prices (A) Towards charges incurred in L/C opening by MDL and (B) Interest for period of 20 days @ base rate of SBI+2% on payment amount will be considered while evaluating foreign bidders for ranking purpose.

15. Consignee:

For Indian Bidder: The Supplier/Vendor shall arrange dispatch of good by appropriate transport mode as per the order and consign the same to: **Officer In-Charge, East Yard- Stores, Mazagon Dock Shipbuilders Ltd., Dock Yard Road, Mumbai – 400 010, INDIA.** The supplier shall categorically direct the transporter to deliver the ordered item without insisting for consignee copy of the Lorry Receipt.

In order to afford prospective Bidder a reasonable time in which to take the amendment into account in preparing the bids, the MDL may, at his discretion, extend the deadline for the submission of bids. RANKING OF BIDS / LOADING CRITERIA FOR NORMALISING THE PRICE BIDS

1. The bidder shall quote the rates excluding the taxes & duties.
2. Applicable taxes/duties and the rates shall be separately indicated by the bidder in Rate Sheet.
3. It is desirable that the bidder accepts the Payment Terms indicated in this tender. Varied payment terms quoted by bidders as compared to the terms stated in the Tender document shall be normalized by adopting the SBI PLR rate plus 2% (in case of indigenous bidder) and LIBOR / EURIBOR rates plus 2% or 6% whichever is higher (in case of foreign bidders) thereon on the amount (s) at variation and / or for the period (in no. of days) at variation.
4. If the requirement of advance payment is absolutely unavoidable for bidder, then it will be allowed against a Bank Guarantee of 110% of the amount with sufficient validity period. The quantum of advance will not be more than 15% of order value. Interest will be applicable at the SBAR plus 2% in case of Indigenous bidders & LIBOR / EURIBOR rates plus 2% or 6% whichever is higher in case of foreign bidders and applicable SBAR / LIBOR / EURIBOR rates will be indicated separately at that time. The offer of bidder will be loaded at this rate for the period of recovery, which will be decided after bid opening. If the bidder seeks advance payment at a lower rate of interest than the rate specified above, then only differential amount of interest shall be loaded on the quoted price.
5. For additional delivery period sought by bidder over the stipulated date of delivery/completion of tender, 0.50% per completed week may be loaded to the quoted price.
6. Deviation sought in respect of rate per week and/or maximum ceiling in respect of Liquidated Damages shall be loaded on the quoted price. For e.g., the maximum ceiling towards L.D. stipulated in tender is 5% and bidder seeks to limit it to say 3.5%, then price quoted will be loaded by 1.5%. If rate of L.D. per week in tender is 0.5% per week or part thereof and bidder seeks it as, say, 0.40% per week or part thereof, the maximum ceiling on L.D. as per tender will be equated to weeks (10 weeks in this case) and rate proposed by bidder, i.e. 0.4% will be multiplied by the so equated maximum period (which works to 4%) and the quoted price will be loaded accordingly by 1%. Delivery, being the essence of the contract, it is desirable for the bidders to adhere to the stipulated clause.
7. In case the foreign Bidder is requesting for payment through LC then his price will be loaded as For opening L/C, all charges outside India shall be borne by the Beneficiary (supplier). Additional loading of prices (A) Towards charges incurred in L/C opening by MDL and (B) Interest for period of 20 days @ base rate of SBI+2% on payment amount will be considered while evaluating foreign bidders for ranking purpose. In case supplier seeks L/C amendment for no fault of MDL or requires confirmation of L/C then all charges towards L/C amendment or confirmation of L/C respectively shall be borne by the supplier.
