RANKING OF BIDS / LOADING CRITERIA

L1 bidder will be decided after loading for deviations mentioned as per format of loading criteria where ever applicable.

Deviations sought by the bidder in respect of tender terms such as Delivery, Payment terms etc shall be loaded on the bidder(s) quoted prices during price evaluation by MDL. An illustration of the loading criteria and Ranking of Bids that will be adopted is at Enclosure- 2. Among the equal bids, bidders with ISO 9000 series accreditation will receive priority over non-ISO bidders.

Loading criteria that will be adopted are detailed below:

- i) It is desirable that the bidder accepts the payment terms indicated by the company in the Tender document. Varied payment terms quoted by Indian bidders as compared to the terms stated in the Tender document shall be normalized by adopting the Prime Lending Rate of SBI plus 2% in case of Indian bidders & LIBOR / EURIBOR rates plus 2% or 6% whichever is higher in case of foreign bidders thereon on the amount (s) at variation and/or for the period (no. of days) at variation.
- ii) If the requirement of advance payment is absolutely unavoidable for bidders, then it will be allowed against a bank guarantee of 110% of advance amount with sufficient validity period. The quantum of advance will not be more than 15% of order value. Interest will be applicable at the PLR plus 2%. The offer of bidder will be loaded at this rate for the period of recovery, which will be decided after bid opening. If the bidder seeks advance payment at the lower rate than the rate specified above then only differential amount of interest shall be loaded on the quoted price.
- iii) For additional delivery period sought by bidder over the stipulated date of delivery/completion of tender, 1% per completed week may be loaded to the quoted price.
- iv) Deviation sought in respect of rate per week and/or maximum ceiling in respect of Liquidated Damages shall be loaded on the quoted price. For e.g., the maximum ceiling towards L.D. stipulated in tender is 5% and bidder seeks to limit it to say 3.5%, then price quoted will be loaded by 1.5%. If rate of L.D. per week in tender is 1 % per week or part thereof and bidder seeks it as, say, 0.80% per week or part thereof, the maximum ceiling on L.D. as per tender will be equated to weeks (5 weeks in this case) and rate proposed by bidder, i.e. 0.8 % will be multiplied by the so equated maximum period (which works to 4%) and the quoted price will be loaded accordingly by 1%. Delivery, being the essence of the contract, it is desirable for the bidders to adhere to the stipulated clause.
- v) Deviation in respect of the period of Warranty/Guarantee shall be loaded to the quoted price at the rate 0.25% per month or part thereof. This does not arise if the bidder quoted additional price for the differential period.

Criteria for Normalizing the Price Bid for Ranking:

For Procurement for Defense Projects: In pursuance of MOD ID No. 3(1)/2002/D(SII) dated 4.10.2006 the evaluation of Bids to determine L-1 Supplier shall be done as under:

- i. For Indian suppliers, the total of basic cost and transportation charges to yard, if any, will be the basis for the purpose of comparison of various tenders. Taxes, duties and levies may be excluded for ranking the tenders.
- ii. The method of excluding the taxes, duties and levies payable as at (ii) above is for the purpose of ranking of price bids. As taxes, duties and levies are excluded for the purpose of ranking of bids to determine L-1 bidder, in accordance with guidelines issued by MOD, there may arise a situation where overall cost (inclusive of taxes, duties & levies) of supply by the adjudged L-1 bidder may be higher compared with any other bid(s) depending on the tax structure. Therefore, it would be required that the adjudged L1 bidder has to reduce the price to make it competitive both before including taxes, duties & levies and after including taxes, duties & levies. If the adjudged L1 bidder does not agree to reduce the price to make it competitive after including the taxes, duties & levies, then the next ranked bidder(s) will be afforded the opportunity so that the procurement is competitive.
