Pool/cartel formation is against the basic principle of competitive bidding and defeats the very purpose of an open and competitive tendering system. Such and similar tactics to avoid/control true competition in a tender leading to "Appreciable Adverse Effect on Competition" (AAEC) have been declared as an offence under the Competition Act, 2002, as amended by the Competition (Amendment) Act, 2007.

Consider this as Warning to such Bidder that, in case of evidence of cartel formation, suitable administrative actions will be resorted to, such as rejecting the offers, reporting the matter to trade associations, the Competition Commission or NSIC, etc., to take suitable strong actions against such firms.

On such event, MDL may debar the tenderers indulging in cartel formation/collusive bidding/bid rigging for a period of two years from participation in the tenders of the MDL.
