17.1. The terminology/ **definitions** used in the said order is as below:

- 17.1.1. "**Local content**" means the amount of value added in India which shall be the total value of item (goods, services or works or their combination) under procurement (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value in percent. Different definition of Local

- 17.1.3. **“Class-II Local Supplier”** means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for ‘Class-II local supplier’ but less than that prescribed for “Class-I local supplier” under this order.

17.2. Minimum local content:

Doing so would be treated / considered as false declaration by bidder and necessary action shall be initiated as per Para 9 of the said Order for debarment.
- 17.3.4. Declared Local Content shall be the basis for categorization of the vendors and tender evaluation. However, MDL reserves the right to undertake detailed examination of declared local content and may call vendor to submit relevant documents.

- 17.3.5. In cases where MDL received the complaint from any vendor or person, along with the fees prescribed below, verification of Declared Local Content shall be carried out by seeking additional info as deemed necessary and the bidders (including unsuccessful bidders) against the tender shall be obliged to furnish the necessary documents. Meanwhile, re-tendering may be done without applying the provisions of said Order for need fulfilment of MDL.
