- (b) The license fees / royalties paid / technical charges paid out of India shall be excluded from local content calculation.
- (c) Procurement / Supply of repackaged / refurbished / rebranded imported products as understood commonly shall be treated as reselling of imported products and shall be excluded from calculation of local content. The definition of repackaged / refurbished / rebranded imported products is as follows;

For items sold by bidder as reseller, OEM certificate for country of origin to be submitted.
- (e) For contracts involving supply of multiple items, weighted average of all items to be taken while calculating the local content.

Note:

- (i) The local content can be increased by vendors through partnerships, cooperation with local companies, establishing production units in India or Joint Ventures (JV) with Indian suppliers, increasing the participation of local employees in services and training them.
- (ii) Bidders offering imported products will fall under the category on Non-local suppliers and they cannot claim themselves as Class-I local suppliers / Class-II local suppliers by claiming the services such as transportation, insurance, installation, commissioning, training and after sales service support like AMC / CMC, etc. as local value addition. Hence, bidders offering imported products will be treated as Non-local suppliers. This shall be included in tender for information and clarity to bidders.
- (f) **"Class-I Local Supplier"** means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for "Class-I local supplier" under this order
- (g) **"Class-II Local Supplier"** means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for "Class-II local supplier" but less than that prescribed for "Class-I local supplier" under this order.
