**7. Bid Evaluation Criteria:** Lowest bidder (L1) will be determined on the basis of Grand total quoted price of total quantity of all items (exclusive of GST) of the entire Rate Sheet for Service **Enclosure--2** considering 25% quantity of spare parts i.e (Entire quantity of All items at **Enclosure--2** Illustrative Rate sheet wherein 25% quantity of spares will be considered for evaluation). 33. The contract will be governed by GCC while executing work. In case of discrepancy, clauses mentioned in Tender, Scope and Rate sheet will override the clauses mentioned in other enclosures including GCC.
34. Cartel Formation/Pool Rates It is possible that sometimes a group of bidders quote the same rate against a tender. Such pool/cartel formation is against the basic principle of competitive bidding and defeats the very purpose of an open and competitive tendering system. Such and similar tactics to avoid/control true competition in a tender leading to "Appreciable Adverse Effect on Competition" (AAEC) have been declared as an offence under the Competition Act, 2002, as amended by the Competition (Amendment) Act, 2007. Such practices should be severely discouraged with strong measures. In case of evidence of cartel formation, detailed cost analysis may be done by associating experts if necessary. Besides, suitable administrative actions can be resorted to, such as rejecting the offers, reporting the matter to trade associations, the Competition Commission or NSIC, etc., and requesting them, inter-alia, to take suitable strong actions against such firms. New firms may also be encouraged to get themselves registered for the subject goods to break the monopolistic attitude of the firms forming a cartel. Changes in the mode of procurement (GTE instead of OTE) and packaging/slicing of the tendered quantity and items may also be tried. A warning clause may also be included in the bid documents to discourage the bidders from indulging in such practices. Purchaser may also debar the tenderers indulging in cartel formation/collusive bidding/bid rigging for a period of two years from participation in the tenders of the Purchaser.
