For e.g. The maximum ceiling towards liquidated damages speculated in the tender is 5% and the bidder seeks to limit it to, say 3.5% then the price quoted will be loaded by 1.5%. If the rate of L.D per week is 0.5% per week or part thereof as per tender and the bidder seeks it as, say, 0.4% per week or part thereof, the maximum ceiling on L D as per tender will first be equated to weeks (10 weeks in this case) and the rate proposed by the bidder i.e. 0.4% will be multiplied by the so equated maximum period (which works out to 4%) and the quoted price will be loaded accordingly by 1%. Delivery being the essence of the contract, it is desirable if the bidder/s adhere to the stipulated clause.

The Government of India has issued revised Public Procurement (Preference to Make in India) order 2017 on 19 Jul 2024 as part of its policy to encourage "Make in India" and promote manufacturing and production of goods and services in India with a view to enhancing income and employment. Subject to the provisions of this order and to any specific instructions issued by Nodal Ministry or in pursuance of this order, Purchase Preference shall be given to local suppliers in all the procurements undertaken by MDL in the manner specified below:

- 23.1 The following terminology / definitions used in the policy is enumerated below and applicable to the tender:
- (i) **Local content:** Local content means the amount of value added in India which shall be the total value of item (goods, services or works or their combination) under procurement (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value in percent. Different definition of Local Content may be specified by the Nodal Ministry for items assigned to them, which will prevail over above.
