11. Cartel Formation/Pool Rates

It is possible that sometimes a group of bidders quote the same rate against a tender. Such pool/cartel formation is against the basic principle of competitive bidding and defeats the very purpose of an open and competitive tendering system. Such and similar tactics to avoid/control true competition in a tender leading to "Appreciable Adverse Effect on Competition" (AAEC) have been declared as an offence under the Competition Act, 2002, as amended by the Competition (Amendment) Act, 2007. In case of evidence of cartel formation, detailed cost analysis may be done by associating experts if necessary. Besides, suitable administrative actions can be resorted to, such as rejecting the offers, reporting the matter to trade associations, the Competition Commission or NSIC, etc., and requesting them, inter-alia, to take suitable strong actions against such firms. Purchaser may also debar the tenderers indulging in cartel formation/collusive bidding/bid rigging for a period of two years from participation in the tenders of the Purchaser.

12. Scrutiny of offers:

"Bidders are requested to ensure that only relevant documents complete in all respect as indicated in the tender should be attached with their offer. The evaluation of the offers will be carried out and bidders will be qualified based on the documents received along with their offer.

MDL reserves the right to seek clarification / deficient documents from all the bidders quoted against the tender in following cases:

If number of the techno-commercially qualified bids for each item/group are less than $X + 5$ where X is the number of orders/contracts proposed to be placed.

Bidders shall regularly check their GeM bid status on GeM portal for any such clarifications.

Bidders are expected to provide clarification before the deadline on GeM portal. if the bidder does not comply or respond by the date, his offer will be liable to be rejected.

No change in prices or substance of the bid shall be sought, offered or permitted. No post-bid clarification at the initiative of the bidder shall be entertained.

Amounts advanced or part thereof corresponding to the undelivered supply shall be recoverable from the Contractor / Bidder at the prevailing bank rate of interest.

The Purchaser shall also be at liberty to purchase, manufacture or supply from stock as it deems fit, other articles of the same or similar description to make good such default and/or in the event of the contract being terminated, the balance of the articles of the remaining to be delivered there under. Any excess over the purchase price, cost of manufacture or value of any articles supplied from the stock, as the case may be, over the contract price shall be recoverable from the Bidder / Supplier / Contractor directly or from the payments due against any other order/s in MDL or any other Govt organisation/ CPSU.
