1. Preamble

- 1.1** This Corrigendum is issued under Section 12.2 of the Enquiry, which reserves MDL's right to amend, modify or clarify the Enquiry by corrigendum prior to the closing date. It is issued consequent upon the Indian Navy's extension of the bid submission date of the above RFP to 14 September 2026, and in response to representations received from prospective Bidders seeking additional time to complete execution of the Non-Disclosure Agreement, study of the technical documentation released thereunder and preparation of the two-part offer.
- 1.2** MDL, as prime Bidder, is required to submit its offer to the Ministry of Defence by 14 September 2026. The Execution Partner arrangement under this Enquiry is a back-to-back flow-down of MDL's obligations under that RFP (Section 4 of the Enquiry). The extension granted by this Corrigendum is limited to what the revised RFP date permits, having regard to the time required after closing for evaluation, Technical and Price Negotiations, and conclusion of the Pre-Bid Agreement before MDL's own bid submission.
- 1.3** The amendment at Part A extends the closing date and the consequential dates of the Enquiry only. No term, condition, qualifying criterion, evaluation criterion, scope or Annexure of the Enquiry is otherwise altered, and all continue to apply in full.
