

**CORRIGENDUM No. III**

Sub: Design, Manufacturing, Class Approval, Supply, Installation, Testing and Commissioning of New Caisson Gate for Dry Dock in East Yard, MDL.

Ref: Tender No. 190000089 dated 08 Dec' 20

The following points shall be considered by the bidder(s) before submission of final offer for the subject tender.

Corrigendum-II	Queries from Bidder	Clarification to Queries
Refer Corrigendum-II	Whether Space in Workshop C will be given to Contractor for block erection, alongwith Crane, Electricity and lighting facility	MDL will provide space in Workshop C for assembly of Caisson Gate Units (fabricated at SSA). After Assembly Gate will be lowered in East Yard Dry Dock by MDL cranes with four 90T each hooks (free of Cost). However, all the equipments, necessary support viz manpower, slings, Rigger, Lifting Jig etc. shall be arranged by Contractor at their own expenses.
Refer Corrigendum-II	Whether Launching of Newly Built Caisson Gate will be done from Workshop C Dock	After lowering gate in the dry dock, gate will be towed to wet basin by the firm for filling of composite concrete (to be supplied and filled by the firm) along with all necessary arrangements

2. All other terms & conditions of Tender alongwith Corrigendum-I & II remain unaltered.
3. The Corrigendum-III as above, duly signed & stamped, shall be scanned and submitted along with Techno-commercial Bid (PART-I) of the offer.
